## Vaujany Activities

For nature lovers, beautiful walks along the lakes or forests, Vaujany offers magnificent views that only the mountains can bring you. With cable, you can spend a day in the mountains to 2800 m (just 20 minutes) and let you win by stunning scenery you will not find anywhere else. At the intermediate stage, on the plateau at 2100m Alpette is mountain lake paradise of all colors and all shapes.

The more adventurous can descend the mountain bike trails to roll either on areas of Oz-Vaujany (1250m - 2800m) or Alpe d'Huez Grand Domaine mountain bike (1250m-3350m).

If you stay in town, you can enjoy the pine forests, so fresh and relaxing summer. You can swim in the pool, do a mini golf with the children, a ropes course, tennis, pony, discover the farm animals, visit the sheepfold, lunch on the terrace and soak up the sun ...

The most dynamic go discover new sensations on the via ferrata which winds along the famous waterfall La Fare.

Finally, for lovers of the bike, our region is famous for its mountain passes and steep climb to Alpe d'Huez. A pedals ...
